All other provisions or applications shall continue in full force and effect during the term of the Agreement.

ARTICLE IV GRIEVANCE PROCEDURE

- 4.1** A "grievance" is an alleged violation of a specific article of this Agreement.
- 4.2** The "aggrieved" is the teacher(s) by name(s) directly affected by the specific violation of this Agreement. In case of an alleged violation of Article II, the "Aggrieved" is the Association.
- 4.3** The "aggrieved" and the employer shall have the right to appoint representatives to be present for all meetings, hearings, appeals, or other proceedings relative to the grievance. No grievant(s) may be required to discuss the grievance if their representative is not present. When grievance meetings, hearings, or conferences must be conducted during school hours, the grievant(s), witnesses and representatives shall be released from regular assignments, with pay, to attend. Nothing herein contained will be construed as limiting the right of any teacher to discuss a grievance informally with the principal-supervisor and having the grievance resolved without intervention of the Association.
- 4.4** Informal Procedure: Within sixteen (16) workdays of the alleged violation, the aggrieved will informally discuss the alleged grievance with his/her principal/supervisor. Within five (5) workdays, the principal/supervisor shall give an answer orally to the teacher. If the aggrieved is not satisfied with the disposition at the informal level, he/she may initiate a formal grievance within ten (10) workdays of the answer.

Appeals from one of the following steps to the next highest step shall be filed within ten (10) workdays following the expiration of time limits established for disposition of grievances at each step or the date of receipt of an official response to the grievance or whichever comes first.

- 4.5** Formal Procedure:
Step I: A formal written grievance must be filed on the proper form (see Appendix D). Within seven (7) workdays of the receipt of the grievance, the principal/supervisor shall indicate the disposition on the grievance in writing on said form. If the grievance involves teachers from more than one school, it may be filed originally at Step II.

Step II: If the aggrieved is not satisfied with the disposition at Step I, or Step I time limits expire without a disposition, the grievance may be submitted to the Superintendent. Within seven (7) workdays from receipt of the grievance, the Superintendent or designee shall meet with the aggrieved. Within seven (7) workdays after the meeting, the Superintendent shall indicate the disposition of the grievance in writing to the aggrieved.

Step III: If the aggrieved is not satisfied with the disposition at Step II, or Step II time limits expire without a written disposition, the grievance may be

submitted to a School Board hearing. The Board shall hold a hearing within thirty (30) calendar days after the receipt of the grievance. The aggrieved and the Board shall have the right to include in its representation such witnesses and counselors as they deem necessary to develop facts and proofs pertinent to the grievance. All expenses of counselors and witnesses for each party will be handled by the party requesting their attendance. Upon conclusion of the hearing, the Board shall have seven (7) workdays in which to provide its written decision to the aggrieved.

Step IV: If the grievance remains unresolved at the conclusion of Step III, or if Step III time limits expire without a School Board hearing, or within ten (10) workdays after the written decision, the grievance may be submitted to final and binding arbitration. Employees who choose a School Board hearing may not submit the grievance to arbitration. The aggrieved must notify the Board within twenty (20) workdays in writing if the grievance is submitted to arbitration. The arbitrator shall be selected from the American Arbitration Association in accord with its rules, which likewise govern the arbitration proceedings. The Board and the aggrieved respectively shall alternate by striking a name until one is left. The parties may request an entire new panel if they so desire and provided the parties mutually agree. The arbitrator shall have no power to alter the terms of the Agreement. The cost of the arbitrator will be shared equally. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.

- 4.6** The time limits provided in this article shall be strictly observed, but may be extended by written agreement of the Board and the aggrieved. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of the aggrieved prevents his presence at a grievance meeting, the time limits shall be extended to such time that the person can be present. When such grievance meetings and conferences are held during school hours, each employee whose presence is required shall be excused with pay, for that purpose.
- 4.7** No reprisals of any kind will be taken by the Administration or Board against any teacher because of his/her participation in this grievance procedure. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel file of the aggrieved.
- 4.8** The Association representative acting as the employee designee may review materials from the grievant's county personnel and grievance file only after obtaining written consent from the grievant(s) involved. A member of the Superintendent's staff will be present during this examination of records
- 4.9** Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this Agreement.

- 4.10** Notwithstanding the expiration of this Agreement, any grievance filed prior to the expiration of the Agreement having begun thereunder may be processed through the grievance procedure until resolution.
- 4.11** Failure on the part of the Board or the employee/Association to meet any of the time frames specified in this grievance procedure shall result in the sustainment of the position of the party having met all time frames.
- 4.12** The Association will be notified of all hearings conducted relative to the grievances involving bargaining unit members. The Association may be present for any grievance hearing. Nothing in this Article shall be construed to prevent any employee from presenting his/her own grievance, provided the Association has been given the first right of refusal to process the grievance. The Association will be given the opportunity to be present at any meeting calling for the resolution of a grievance. Employees who desire to utilize the grievance procedure, but who do not want Association representation, shall adhere to the following conditions:
- a. The employee must arrange for their representation
 - b. The adjustment of grievance must not be inconsistent with the terms of this agreement
 - c. The Association president or his/her designated representative are given the opportunity at no loss of pay, to be present during the adjustment of the grievance, including all discussions held between employees and the Board or its representatives in connection with the grievance.
