### 2023-2024 Parent and Family Engagement Policy (PFEP)

It is our belief that:

- The parents of children served in Title I, Part A should be involved in decisions about how Title I, Part A funds reserved for parental involvement are spent;
- Parents and the school should jointly develop/revise the Parent and Family Engagement Policy and distribute it to parents of participating children and make available to the local community;
- We should use the findings of the PFEP review to design strategies for more effective parental involvement, and to revise the PFEP if necessary;
- Each parent should be provided an individual student report about the performance of their child on assessments in at least mathematics, ELA, and science;
- Parents should receive timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified; and
- Parents should receive timely notice regarding their right to request information on the professional qualifications of the student's classroom teachers and paraprofessionals.

**Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used.**
